Under Lock and Key

****Hey Guys, this is my first fiction but I read millions! So I'm experienced****

****BTW, I hate POVs so don't go thinking this is a POV story****

Disclaimer: I don't own Inuyasha but a girl can dream.

And now onwards with the story

Unknown Time

****Summary:****

****(Kagome's POV)****

The gang, Inuyasha Takahashi, Kikyo Sanada, Miroku Hiroshima, Sango Slayer, Koga Wolf, Bankatsu Asano and Sasame Takahashi (Inuyasha's twin sister) walked past with mesmerised eyes staring back at them. They were the cool, popular kids of Shikon Academy. Kikyo and Sango are my best friends but I can't help wishing I knew people like Sasame. I mean Sasame is on the front page of every magazine but my friends aren't. It's not that I don't want new friends it's that I want one more friend. She's kind as well as famous. Yesterday, Souta was being bullied by an anonymous low-life and she came to his rescue.

"Kagome, Kagome, Hello, Earth to Kagome, Do you hear me?" shouts Sasame, clicking her fingers.

"Huh, W-w-what's going on?" I say, shocked.

"You were daydreaming" Sweat dropped Sango (-_-')

I stare at Sasame trying to look away but I'm not quick enough.
Sasame started to speak to me.

"Kagome, right"

"Y-yeah"

"Hey"

"H-hi" I'm getting less nervous as we speak.

"You know what decision I've just made, Kagome you're part of the Gang"

"Now we shall perform the ritual, girls we're singing Rather Be" Said Sasame.

Rather Be: Jess Glynne

Kikyo: We're a thousand miles from comfort

We have travelled land and sea

But as long as you are with me

There's no place I rather be.

Sango: I could wait forever

Exulted in the scene

As long as I am with you

My heart continues to beat

Sasame: With every step we take

Kyoto to the bay

Strolling so casually

Kagome: We're different and the same

Gave you another name

Switch up the batteries

ALL: If you gave me a chance

I would take it

It's a shot in the dark

But I'll make it

Know with all of your heart
You can't shame me
When I am with you
There's no place I'd rather be
N-n-no, no, no
No place I'd rather be
N-n-no, no, no
No place I'd rather be
N-n-no, no, no
No place I'd rather be
If you gave me a chance
I would take it
It's a shot in the dark
But I'll make it

Know with all of your heart
You can't shame me
When I am with you

There's no place I'd rather be

"You have a really good singing voice, Kags!" exclaimed
Sasame,

"Really, Thanks, you have the voice of Angel" replied Kagome.

And with that they continued the rest of the school day without a
hitch because as of Today they were all best friends.

**So that's it for the longer summary but I promise the chapters will
definitely be longer. The next chapter will be out by next week. And
don't worry I'll see this story to the end and I will not like other
authors, no offence other authors.; D.**
